

LEWIS AND CLARK DISTRICT MONTANA COUNCIL BOY SCOUTS OF AMERICA

The twelve most important things to remember at a district committee meeting.

- 1) We are here for the boys.
- 2) Egos and guns are to be left at the door.
- 3) We will accomplish more together than separately.
- 4) We are all volunteers.
- 5) There is room for everyone and their talents in our organization.
- 6) Say anything you like at the meetings, but outside we speak as one.
- 7) Those who complain about the operation of an event are volunteering to run the next one.
- 8) When irritated by the “idiot” next to you, review # 3 through 5.
- 9) Take your duties seriously, but not yourself..
- 10) More gets accomplished when no one is worried about who gets the credit.
- 11) The more one talks, the greater the chance to demonstrate one’s ignorance.
- 12) Be respectful of each others time, we all have other things to do.
